Annual Report
Amy Wonnell
Dear Friends,

What an eventful year it has been! In addition to continuing our great work with community granting and scholarships, we have been very involved with our GIFT VI fundraising goals and our Youth Philanthropy initiative this past year. Each of these opportunities has enabled us to significantly grow in our ability to positively impact our community.

Our GIFT VI fundraising initiative was enabled by a tremendous matching opportunity from Lilly Endowment. Through the hard work of our volunteers and staff, and the generosity of our many donors, we were thrilled to be able to reach our goals and bring the full extent of the GIFT VI matching funds into our county. A key focus of the GIFT VI initiative was to grow our community granting funds, and by successfully earning the GIFT VI match, we have strengthened our community granting potential for the years to come.

Another exciting initiative this past year has been our Youth Philanthropy organization. Students from each of the Ripley County High Schools have volunteered their time to establish a youth philanthropy club at their schools and for the county overall. We have been impressed by the great work that these students have been able to accomplish. The students drafted their mission statement, identified needs in their school/county, participated in fundraising, and awarded grants after reviewing applications. This was a significant accomplishment by everyone involved and we are looking forward to the future of this program.

As always, the great work we do every day would not be possible without all of you. We have such incredible support throughout Ripley County and are forever grateful to the countless donors and volunteers who make everything possible. Thank you so much for your continued support, time, and generosity!

Sincerely,

Amy Streator  Eric Benz
Executive Director  Board President 2016

**Mission**

To assist donors in building an enduring source of charitable assets to benefit the citizens and qualified organizations of Ripley County.

**Vision**

To partner with and serve our communities as the trusted resource for charitable giving today and forever.

I have seen the numerous ways that the foundation has improved the quality of life within the Ripley County Community.

– Tim Dietz

An independent audit was performed by Blue & Co., LLC. The complete audit report including the independent auditor’s unqualified opinion is available upon request from the Foundation’s office.
Together GIFT VI hopes & dreams became a reality...

Thanks to the support of our many donors, the Ripley County Community Foundation successfully met Lilly Endowment’s sixth Giving Indiana Funds for Tomorrow (GIFT) challenge. In 2015 the Ripley County Community Foundation received $750,000 in gifts from local donors and therefore qualified to receive $500,000 from GIFT in matching donations.

This addition to the Ripley County Community Foundation’s assets will generate additional grants which will be paid back into Ripley County, forever!

With heartfelt thanks,

Ripley County Community Foundation
Board of Directors and Staff

There have been so many community projects completed by the foundation’s grants and so many scholarships granted to worthy students. I give to the foundation because it is local and I can see the contributions at work.

– Debbie Miles

I give to the RCCF for the same reason I plant a tree - to provide food and shelter to future generations.

– John Kellerman, attorney
The **mission** of RYO is to create a powerful youth voice in our community in order to improve the lives of those in Ripley County through a philanthropic approach.

Community Granting Fund Continued –

Sally Morris Community Impact Grant –

The Ripley County Community Foundation strives to promote leadership in addressing Ripley County’s issues by making grants in the fields of community service, social service, education, health, environment and the arts. The Board of Director’s hoped to take that philosophy to a new level through the Sally Morris Community Impact Grants. It was hoped that a larger grant would encourage organizations to engage in larger scaled projects which would have a substantial impact on the community at large.

2015 COMMUNITY IMPACT GRANTS AWARDED – $100,000

- Batesville Community Fire Association: to purchase Self Contained Breathing Apparatuses (SCBA).
- Morris Volunteer Fire Association: to purchase Self Contained Breathing Apparatuses (SCBA).
- The Southeast Indiana Health Center (SEIHC): provides free healthcare services to residents of Ripley and Franklin Counties who are low income, lack health insurance coverage and are in need of healthcare. They will use the grant to relocate adding an onsite pharmacy, lab and dental services.
- Tyson Activity Center: provides recreational activities such as youth basketball leagues, weight room/training, gymnastics, cheer, yoga, aerobics, summer volleyball, archery, art classes, music lessons and summer camps. They will use the grant to make interior improvements to the building.
- Batesville Area Resource Center: A center to house local programs which provide services to Ripley County’s most needy. They used the funds to repair the roof on the building.

Knowing my contributions make a difference in the lives of people I know today & for generations to come is truly meaningful.

– Linda Chandler

Funds & Grants

Non-Permanent Pass-Through Fund –

Immediacy is an element in the Foundation’s Pass-Through funds. You may be a donor that wishes to “spend down” the fund rather than endow the fund for the future. Perhaps a need arises or a new project emerges and a charitable organization requests assistance from the Foundation. Resources from non-permanent funds are given to support these special needs now. All types of funds may be designated in this way i.e. Designated, Community Granting, Field of Interest, Operating and Scholarships.

Bergman (Jennifer) Memorial Fund – To provide medical assistance to Franklin & Ripley County families through MMCH or another not-for-profit healthcare institution who are in need of medical assistance.

Camp Woodsmoke Fund – To provide support for Camp Woodsmoke.

Citizens’ Aquatic Project Fund – To provide funds for the construction &/or improvement of a public, city-owned aquatic center for the citizens of Batesville.

Flora Fund (The) – To beautify downtown Batesville.

Green (Lawrence) Memorial Scholarship Fund – To provide scholarships for students who are accepted & attend two- or four- year public or private institutions.

Moving Milan Elementary School Forward Fund – To provide support to projects for Milan Elementary School.

On The Education Warpath – To provide a four year scholarship for a Milan School High School graduate.

Ripley County Disaster Fund – To provide support for disaster relief.

Severinghaus-Beck (George & Emily) Fund – To benefit Lutheran churches in Ripley County.

Southeast Indiana Health Center Fund – To benefit Southeast Indiana Health Center.

United Way Fund – To support Ripley County Food pantries or non-profits at direction of donor.

Scholarship Endowment Funds –

A scholarship can be customized to incorporate the donor’s preferences for a particular field of study or a particular institution of higher learning. Eligibility of applicants, application procedures and the amount and duration of scholarship support are incorporated to reflect the wishes of the donor. All scholarships must be awarded pursuant to objective and nondiscriminatory procedures and there are two types of scholarships within the Foundation:

- **Discretionary Scholarships** - Provide educational scholarships to qualified individuals with no advice or recommendations from the scholarship originator. The scholarship recipient is selected by the Ripley County Community Foundation Scholarship Committee.

- **Advised Scholarships** - Provide educational scholarships to qualified individuals and the donor (or person(s) designated by the donor) are involved in the selection of the recipient. The donor may only participate in such selection as a member of a larger committee (members of which are selected by the Community Foundation rather than the donor).

Lilly Endowment Community Scholarship

Shelby Armstrong
East Central High School

One Ripley County student has been named recipient of a full tuition, four-year scholarship as the Ripley County Community Foundation 2015 Lilly Endowment Community Scholar.

Shelby Armstrong will receive full tuition to the Indiana college of her choice & a $900 yearly stipend for required books & equipment.

Shelby is the daughter of Fred Armstrong of Sunman & Andrea Armstrong of Milan & is a senior at East Central High School planning to major in business. She will be attending DePauw University.

The RCCF scholarship committee is composed of Ripley County residents representing all areas of the county. The committee is not aware of whose application they are viewing as names & schools of students applying for the scholarship are removed from the applications. At the interviews of the finalists, the students are only introduced by their first names, allowing for as much objectivity as possible.

There were 70 applicants for this award in Ripley County this year drawing from seven high schools. Five outstanding students were chosen as finalists for this prestigious award. After the Ripley County Community Foundation scholarship committee narrowed the field to five nominees, the finalists’ applications were submitted to the Independent Colleges of Indiana, Inc. (ICI) for the selection of the recipients. ICI is a nonprofit corporation that represents 31 regionally accredited degree granting, nonprofit, private colleges & universities in the state.

The scholarships are the result of a statewide Lilly Endowment initiative to help Hoosier students reach higher levels of education. Indiana ranks among the lowest states in the percentage of residents over the age of 25 with a bachelor’s degree. There were 142 scholarships awarded statewide.

Each Ripley County finalist not receiving the Lilly Endowment Community Scholarship will be awarded one of the Ripley County Community Scholarships of $2,000. Those receiving the 2015 Ripley County Community Foundation Scholarships are Lexi Eisert, Batesville High School, daughter of James Eisert of Batesville & Gwendolyn Eisert of Batesville; Kelsey Gausman, Batesville High School, daughter of Tony & Lisa Gausman of Batesville; Ivy Glaser, Oldenburg Academy, daughter of Susan & Thomas Glaser of Batesville; & Ashley Moore, South Ripley High School, daughter of Tracy & Christy Moore of Versailles.

Please call 812-933-1098 or 877-234-5200 if you have questions regarding these scholarships or the Ripley County Community Foundation, Inc.

**New Funds**

**Corporate Community Granting Funds**
In 2015, four local businesses demonstrated their long-term commitment to make the world a better place and established endowment funds with the Ripley County Community Foundation. The income from these corporate endowment funds will be granted into the local community with the goal of strengthening Ripley County’s communities and creating new opportunities for future generations.

---

**Rising Sun Regional Foundation Community Granting Fund**
The Rising Sun Regional Foundation was created in 1994 by the City of Rising Sun in conjunction with the development of the Grand Victoria Casino and Resort by the Hyatt Corporation. The Rising Sun Foundation began its grant making program in early 1997 and is designed to primarily benefit the residents of Ohio and Ripley Counties and the City of Aurora. The Rising Sun Regional Foundation established this fund to obtain Giving Indiana Funds for Tomorrow (GIFT) money made available to Ripley County by Lilly Endowment Inc. By establishing this fund the Rising Sun Regional Foundation solidified its long term commitment to Ripley County. This fund is designed to address the broad needs of the residents of Ripley County.

---

**Milan Community Education Fund**
The Milan Community School Corporation (MCSC) School Board approved the formation of the MCSC Education Endowment with the intent of accepting gifts or donations from individuals wishing to donate large gifts. Restrictions in school budget appropriations and funds are not conducive for handling large donations. Any monies placed in the fund would only be distributed in a manner that benefitted educational endeavors at MCSC.

---

**Chandler Family Community Granting Fund**
Steve and Linda Chandler along with their children Sarah and Chad Renfro, Leah Chandler and Matthew Chandler established a community granting fund as a way to give back to Ripley County and provide funds to benefit projects that make a positive difference in the lives of everyone who lives here.

Linda joined the Ripley County Community Foundation Board in 1998, the second year after its inception, and has continued to serve on the Board or on a committee since that time. She believes strongly in the Foundation and has seen the positive results it has on people’s lives and other philanthropic organizations. As residents of Ripley County the Chandler family desires to continue to serve the Foundation and Ripley County by establishing this fund.

They believe it is important to share your time, talent and resources to make your community better and encourage others who feel the same way to invest in and have an impact where they live and raise their families.

---

**Miles Grandchildren Community Granting Fund**
Grandchildren are the greatest gift God can bestow upon a person. It is important that I let my grandchildren know how special they are to me and that they have brought me much joy. As a grandparent, I understand, and more fully appreciate, the old saying “leave the world better than you found it.” Through this endowment fund, I hope to honor my grandchildren, to create a legacy in which they will learn the art of philanthropy in hopes that they will build upon that which I have created.

• Tanner Tucker Pay It Forward Fund

South Ripley High School student, Ty Tanner and two of his classmates, Elijah Roepke and Kaleb Riley, hosted a 3-on-3 basketball tournament as part of Ty’s senior “Pay-It-Forward Project”. This project is sponsored by South Ripley High School AP English teacher, Mary Gehring and asks students to design a project that gives back to their community. The students are required to develop an event proposal, write up the project’s specifications, and create a final presentation which details the project’s completion.

Ty, Elijah and Kaleb used this assignment to memorialize Ty’s older brother, Tanner, who was killed in a car accident in 2010. They decided to assume the responsibility of hosting “The Tanner Tucker 3-on-3 Tournament”. While meeting classroom requirements, this tournament holds a deeper meaning for these three hosts. This tournament is held in Tanner’s honor because Tanner greatly enjoyed his involvement with school and AAU basketball teams. This tournament is a fundraiser and the money raised through this tournament was to be placed in Tanner’s memorial scholarship. However, when the boys realized that the proceeds could receive a 100% match if they created a new fund in Tanner’s memory, they opted to establish the Tanner Tucker Pay It Forward Fund.

Tanner was a young man who was community oriented. He was the president of his class, the leader of most activities in which he was involved, a member of Student Council, a member of Versailles Baptist Church and a volunteer for Special Olympics. The Tanner Tucker Pay it Forward Fund will be able to benefit the activities which were special to Tanner.

• Kellerman Family Fund

Vicki Kellerman was a lifelong philanthropist. Her parents instilled in her the importance of giving back to society in the manner best suited to the talents and means available to her. Throughout her life Vicki was an active member of countless non-profit organizations with the sole goal of keeping Ripley County a vibrant bustling community full of opportunity. In 1997 Vicki seized the opportunity to join the effort to establish the Ripley County Community Foundation. Thanks to her efforts and the efforts of all the founding board members of the Ripley County Community Foundation, over $13 million has been awarded in grants and scholarships.

Vicki worked in economic development for 25 years and understood that the culture of a community, state-of-the-art amenities and quality education are vital in attracting and retaining business and qualified employees to Ripley County. Vicki wanted to build upon what she helped found in 1997 and wanted to strengthen the Ripley County Community Foundation’s ability to collaborate with local cities, towns and organizations in their efforts to keep Ripley County vibrant. Vicki created a community granting fund because it is a permanent asset with the ability to generate countless grants and is flexible enough to evolve as the needs of the community change.

• Youth in Philanthropy Community Granting Fund

see page 6
• **The Flora Fund**
The downtown of the City of Batesville has been undergoing a lot of change over the last ten years. In recent years the City of Batesville has created a Main Street program which has a mission to improve and beautify the city. One Main Street initiative is the beautification of the downtown square. This fund was established by a donor who was born and raised in Batesville who remembers the grand trees that used to line the streets. This fund was established to support the City of Batesville with its current efforts to add green space to its downtown.

• **On the Education Warpath**
This scholarship was established by Darlene Gerster, graduate of Milan High School, class of 1965. Darlene began her career path as a student teacher under Mary Margaret Moorhead at South Ripley High School, and completed her first year of teaching there. She has been a life-long learner, earning degrees from Ball State, University of Cincinnati, and Indiana University. Although her work and life journey have taken her to Cincinnati, the Chicago area, and back to Indiana via Bloomington and now Indianapolis, she remains interested in the Milan community and Ripley County. She is the co-author with Roselyn McKittrick of *Milan, Indiana: A Storied Past*. Her wish is to help a graduating senior from Milan High School continue his/her education.

• **Giesting Financial Charitable Giving Fund**
At Giesting Financial it is well understood that a business is only as strong as the community that surrounds it. Therefore, community involvement is a key part of the philosophy at Giesting Financial. Charitable donations are one way that we can bring that philosophy to fruition. Establishing a fund at the Ripley County Community Foundation allows the employers and employees of Giesting Financial to demonstrate their commitment to supporting the local community and opting for the donor advised fund affords us the flexibility to support a variety of causes guided by the then current needs of the community.

• **Harmeyer & Johnson Families Fund**
Starting a family endowment to benefit the Southeastern Indiana YMCA was a natural fit for our philanthropic goals. Our kids each attended the YMCA Learning Center from early preschool years through summer camp, and now the Y is our second home, literally! Building a culture of philanthropy for our kids to learn was an important factor in making a decision to open an endowment at the Ripley County Community Foundation. Through our work at the Y, we have seen the community foundation supporting projects that were meaningful in the community, and we have grown to appreciate and trust their use of community dollars. We also have seen the power and impact of a single gift to someone in need. For us to provide one single gift through an endowment and watching it grow to perpetuity, our wish is that others will follow, believing that when philanthropy thrives, our community will thrive also.

• **Louise Hunter Mitchell Community Granting Fund**
Ripley County has been a wonderful place to live and provides many unique opportunities to its residents. I have come to realize that giving to others and supporting the community in which one lives is vital in determining one’s self worth. In short, giving to those in need makes you feel better. Giving to charity or to a program makes you feel thankful for the blessings you have in your own life. By establishing this fund, my family and myself, will be able to have a positive impact on Ripley County today and tomorrow. Hopefully, this fund will instill in others a desire to serve their community and to share their blessings with others.

If there are several from time to time, who share these hopes & who make their contribution to this Trust, the dreams will become possible & the improvement of the quality & enjoyment of life for ourselves & the future residents of this community will be assured. Other communities would be envious.”

— LAST WILL AND TESTAMENT of Frank Tarter
Economic Opportunities through Education (EcO) had a very busy and exciting 2015!

**Ripley County Engineering Academy** – The Engineering Academy moved from Southeastern Career Center to Jac-Cen-Del High School at the beginning of the 2015-2016 school year. In its new home at JCDHS, the Ripley County Engineering Academy continues to serve students from Jac-Cen-Del, Milan, and South Ripley with high quality Project Lead the Way Engineering courses. The new structure is in alignment with academic standards and has industry support. Courses are delivered in one-hour sessions allowing students flexibility in scheduling, which is extremely important for students seeking Technical and/or Academic Honors diplomas.

**Diesel Technology Program/Early College** – The Diesel Technology Program at Southeastern Career Center (SCC) is one of three pilot programs in Southeastern Career Center’s Early College program. The integration of the newest, state-of-the-art technology into this program has resulted in a major enhancement with the construction of a Dynamometer Building, which opened in the fall of 2015. This program is the only one of its kind for high school students in Southeastern Indiana (possibly in the US) and is being used as a model by Cummins in designing training programs globally.

**Dream It. Do It.** – Ripley County is fortunate to have a great team of DIDI Champions and Ambassadors who help to promote careers in STEM. They are:
- Batesville – Champion Craig Hughes, Ambassadors Lauren Obendorf and Derek Barrett
- Jac-Cen-Del – Champion Paul Thole, Ambassadors Morgan Carroll, Baylee Dwenger and Joel Tunny
- Milan – Champion Jeremiah Loehmer, Ambassadors James Schmidt and Justin Wickersham
- South Ripley – Champion Kelly Sparks, Ambassadors Sarah Boyken, Patrick Cole, Jacob Moore and Clarice Zigan
- Southeastern Career Center – Champion Nancy Narwold, Ambassadors Bobby Mangold, Brian McCombs, Sarah Bush and Kayla Orndorff

**Rube Goldberg** – Ripley County EcO and Jac-Cen-Del School Corporation hosted another fantastic Rube Goldberg Machine Contest in March 2015. Six high school teams created wacky machines that were assigned the task, “Erase a Chalkboard.” The competition was fierce, but The Engineering Academy took the top prize with its machine, “Rube E Tuesday,” and advanced to the National Contest at Waukesha County Technical College in Pewaukee, Wisconsin. There, the machine won the coveted Legacy Award and placed second in the...
nation! In addition to a cash prize, the team was also presented with an autographed copy of Rube Goldberg’s biography by his granddaughter, Jennifer George. Ms. George extended an invitation to Ripley County to be involved with Rube Goldberg and Mad Science in the development of an international Rube Goldberg Machine Contest for elementary school students. In collaboration with these two organizations, Ripley County EcO provided video footage from our regional contest for this exciting enterprise.

**Maverick Challenge** – Oldenburg Academy Seniors, Ryne Domingo and Matt Hurm, placed 3rd overall out of 12 teams in the Maverick Regional Competition in Columbus, Indiana, on March 7, 2015. The duo created a business plan for Razian, a company that has plans to create “Tremor,” a watch that includes a vibrating alarm, unique and modern design, and a USB port. They are the first team from Ripley/Franklin counties to place at the Regional Competition. OA Seniors Kirsten Ricke and Sarah Wilder represented Ripley/Franklin counties in the Regional Competition with their Batesville-based cooking school business plan, “Two Peas in a Pod.” This plan was about teaching healthy habits and cooking skills. Kirsten Ricke expressed, “This experience was a great opportunity for us because we learned business skills, presentation skills, and the importance of working together – all that will help us in the future.”

**Special Projects/Grants Supported**
