

Large Project Grants
Up to \$5000.00

The Foundation has set aside money from Community Granting funds to be used as large grants which will assist an organization with a sizeable project needed to support and/or enhance its charitable reach.

Large Project Grants are available one time each year for amounts up to \$5,000. The projects must meet the Foundation's grant guidelines and policies. Organizations may apply for a large project grant and one small project grant each year. Organizations which receive a community impact grant are NOT eligible for a large grant or a small grant in the year in which they receive the community impact grant.

Any funds received for a previous grant must be spent before an organization may apply for another grant and all grant reporting must be current. Applications will be accepted anytime during the year but, the applications will be reviewed and decided on or about the 30th of October.

To be considered, applications must be made by 4:00 p.m. the First Friday of August. If the First Friday falls on a holiday upon which our organization is closed, the deadline will be extended until 4:00 p.m. on the subsequent Monday. Applications not received by the due date will NOT be considered. An original plus ten three-hole punched copies of the Application and supporting documentation must be submitted via "hard-copy" to the Foundation office at: 13 East George Street, Suite B, Batesville, IN 47006. Call 812-933-1098 or 877-234-5220 with questions or for more information.

Please attach a copy of your organization's, or your fiscal sponsor's, IRS 501(c)3 determination letter to the completed application.
