Essays:

1. Write a brief essay explaining your participation in a program or project that had a positive impact on the community. This only includes community service that occurred outside of regular school day hours. The following questions need to be addressed within your essay, but not necessarily in order:

- o How did the community benefit from the program or project?
- o What was your role in the activity?
- o How long did you participate?
- o What did you learn from the experience?
- o How will this activity benefit the community in the future?

2. Include an essay of no more than 500 typed words on: Why you have chosen your major, your plans for the future and how you would benefit from this scholarship.

Include a copy of these essays for each application you submit.
