

Hillenbrand, Inc. STEM Scholarship

This scholarship was established in 2019. The partnership between RCCF and Hillenbrand builds on the company's existing commitments to providing hands-on educational opportunities to area students. Through co-op programs with Batesville and Sunman-Dearborn Community Schools, and internship programs with Oldenburg Academy and Milan, Hillenbrand and Batesville Casket associates regularly mentor students in the science, technology, engineering and mathematics (STEM) fields.

The scholarships are designed to increase the availability of funding to students across the region to supplement college tuition.

Scholarship Details

RCCF and Hillenbrand will award a total of \$3,000 in scholarships.

Criteria

STEM College Scholarships: Opportunities are available to students graduating from Oldenburg Academy, Batesville, Jac Cen Del, Milan, and South Ripley High Schools no later than June 2019. To be eligible, students must plan to pursue higher education in a STEM field, complete The Ripley County Community Foundation High School Scholarship Application and write an essay focused on how they intend to use their STEM education to enhance the community. Applications are due by 4:00 PM on April 1, 2019 and are available online at <https://rccfonline.org/scholarships-2/>.
