

Ripley County Community Foundation

Small Project Grants Up to \$500.00

The Foundation has set aside money from Community Granting funds to be used as small grants which will meet an organization's needs that arise during the calendar year. Small Project Grants are available throughout the year for amounts up to \$500. The projects must meet the Foundation's grant guidelines and policies. Organizations may only apply for one small project grant each year; they may also apply for a large grant if they receive a small project grant.

Any funds received for a previous grant must be spent before an organization may apply for another grant and all grant reporting must be current.

Applications will be accepted anytime during the year but, the applications will be reviewed and decided before the 30th of **March, June, September, and December**. To be considered, applications must be made by **4:00p.m. the First Friday of each of these months**. If the First Friday falls on a holiday upon which our organization is closed, the deadline will be extended until 4:00 p.m. on the subsequent Monday. Applications not received by the due date will be held for the next Small Project Grant cycle.

Applications and supporting documentation may be submitted via e-mail to office@rccfonline.org – (please put “small grant application” in the subject line), or mailed to the Foundation office at: 13 East George Street, Suite B, Batesville, IN 47006.
