Corinne Lamping was trained at Aveda Fredric's Institute, Indianapolis in 2010. With her desire and dedication to learn more about the ongoing art of hair, she had attended the Chicago Hair Show and additional Aveda color and styling classes. Corinne had no problem expressing her love and talent for hair by satisfying every guest. She was not only skilled in hair, but also was certified in nail care as well. She specialized in all natural nail services, cut and color services as well as waxing.

Corinne brought an enjoyable experience during all her services to make her guest's day!

“We have established this scholarship in honor of Corinne in an effort to help some young lady or gentleman achieve their lifetime dream of becoming a hair stylist. We miss Corinne dearly. Please continue to keep our family in your prayers.”
