Dear Friends,

INSPIRATION was the tenet that guided the work of the Ripley County Community Foundation in 2019. Our initial burst of enthusiasm was the result of Lilly Endowment Inc.’s (LEI) $500,000 Giving Indiana Funds for Tomorrow (GIFT) matching funds grant. This gift inspired individuals, foundations, and organizations from all sectors and walks of life to build an enduring source of charitable dollars for the future of this wonderful place we call home. Your generous spirit was ignited by the GIFT VII challenge and within 11 months we met our goal! We ended 2019 with $13 million in assets, a new high for RCCF!

Our donors’ love for their communities has made us stronger and has boosted our ability to be leaders within our communities. In 2019, we granted $337,813 back into the community supporting: community enhancement projects, education, arts & culture, healthcare, social services and the environment. Our impact is a reflection of the support we receive from our donors, volunteers and grantees. On behalf of the Board of Directors and the staff, thank you for helping us to Connect People Who Care with Causes that Matter. Your inspiration for creating opportunities keeps Ripley County, Indiana vibrant. Here’s to 2020!

Letter From the President & Executive Director
Mission Statement
To assist donors in building an enduring source of charitable assets to benefit the citizens and qualified organizations of Ripley County.

Vision Statement
To partner with and serve our communities as the trusted source for charitable giving, today and forever.

Year in Grants

$337,813.50 awarded in 2019

**Arts & Culture Grants** $29,880
12 Programs or projects

**Community Service Grants** $53,283
42 Initiatives or programs

**Education Grants** $69,236
32 Programs or projects

**Environmental Grants** $10,000
3 Programs or projects

**Health Grants** $36,973
11 Projects

**Scholarships** $70,325
60 Scholarships awarded to 49 students

**Social Service Grants** $68,116
38 Initiatives or programs

Big initiatives in 2019 were:

• Planting of trees
• Free Indianapolis Symphony Orchestra Concert and fireworks show
• Telehealth services in local schools
• Support for the YMCA
• Feeding the hungry: 8 food pantries, a Weekend Backsack Food program, and a Summer Food for Kids program
• CPR training equipment for high school programs

Year in Grants
Lilly Endowment Community Scholarship

Scholarship Winner: George Ritter

Tell us a little about yourself.

“I am the middle of 5 in my family and am blessed to have such good relationships with each of my siblings and parents. I attended Batesville High School, learned a lot, and made some amazing friends during my time there. I love to be active and my favorite way of doing that is playing sports.”

How did it feel to win the prestigious scholarship?

“I vividly remember the surprise and feeling of accomplishment when I learned I had won. It was a great moment to share with my family present at the time and quite an exciting day.”

How has the Lilly Endowment Community Scholarship impacted you? Has it offered new experiences that weren’t attainable before?

“I had not even applied to Rose-Hulman beforehand and this scholarship provided an opportunity for me that I had not even considered. My experience so far at Rose has been short but very good, and the future ahead looks bright and I owe a lot of that to this scholarship.”

What have you learned about yourself as a student at Rose-Hulman Institute of Technology?

“I learned that I can roll with the punches and adjust to whatever life throws at me. I pushed my limits and truly surprised myself academically on how much I can do if I put my mind to it.”

What are your future career plans after graduating college?

“The future ahead still is quite foggy for me, and I am not sure the direction I will want to take with what I have learned here. A Chemical Engineering degree opens many doors. I will hopefully be able to obtain real-world opportunities to apply the knowledge I have learned here with summer internships and co-ops.”
Ripley County Humane Society (RCHS) is a no-kill animal shelter. Its volunteers strive to provide a safe haven for stray dogs and cats until they adopt the animal to a forever home.

This year, The Ripley County Community Foundation became the home to a stray cat, affectionately known as Sally, and her kittens. The RCHS assisted us in having Sally spayed and finding her and all of her kittens loving homes.

In April, former recipients of the Ripley County Lilly Endowment Scholarship hosted a community service day at the RCHS. In July, RCHS was awarded a $1,500 grant from the Frank Tarter Fund to repair the driveway and parking lot.

On our Day of Giving, we showed our appreciation by hosting a supply drive on behalf of the RCHS. Because of your generosity, we were able to collect and deliver carloads of supplies, with many items on RCHS’ wish list being met.

In December, RCHS was awarded a $500 grant from the Jim and Sally Morris Family Fund to offset operating costs.
Ripley Youth Outreach

Executive Board:

• President: GiGi Dreyer (Oldenburg Academy)
• Vice President: Taylor Brison (South Ripley)
• Secretary: Zeb Streator (Oldenburg Academy)
• Grants Chair: Caroline Kellerman (Batesville)

Student Committee:

• Lily Esser (Batesville)
• Elizabeth Gigrich (Oldenburg Academy)
• Betsy Harmeyer (Batesville)
• Abbi Knowlton (Milan)
• Lydia Koger (South Ripley)
• Abby McCarty (South Ripley)
• Emma Morris (South Ripley)
• Ava Ralston (South Ripley)
• Savannah Rosenbarger (Milan)
• Riley Schebler (Oldenburg Academy)
• Abe Streator (Oldenburg Academy)
• Morgan Sutton (Jac-Cen-Del)

Mission Statement: To create a powerful youth voice in our community in order to improve the lives of those in Ripley County through a philanthropic approach.

Vision Statement: Spread knowledge of philanthropy across Ripley County through service and education, to empower the youth to become leaders of their generation.
New Horizons Rehabilitation received the $10,000 Change Ripley County Grant. The purpose of this grant is to give our local youth a platform to be heard, the confidence to take action to change their communities, and the resources to enact that change.

New Horizons is using the grant funding to build an ice cream shop in Liberty Park to not only provide ice cream for everyone to enjoy, but to give youth and special needs individuals employment opportunities.

Sarah Price, a student of Oldenburg Academy and an intern at New Horizons, applied for the grant because she wanted the youth of Ripley County to be involved in the development of a local business, while bringing a new experience to Liberty Park. The ice cream shop is scheduled to be completed in the Spring of 2020.
Partnerships Connect Communities

Hillrom and Ripley Youth Outreach (RYO) partnered in 2019 to create a lasting impact on our local communities. Hillrom purchased and assembled 47 preschool-sized bicycles as a team building exercise, which were given to RYO to bring a generosity movement to the community. Within seven days, RYO distributed the bikes to Main Street Versailles and Safe Passage and sold 27 bikes to support the Youth in Philanthropy Fund.

Additionally, employees of Hillrom donated birthday box supplies, such as cake mix, icing, candles, and balloons, to support the “Birthday Box Initiative.” RYO and Hillrom employees packaged and assembled 200+ birthday boxes, which were delivered to the eight Ripley County Food Pantries and impacted 200 children and their families.
Helping Our Youth, One Grant at a Time

RYO awarded $3,651 to schools throughout Ripley County in 2019.

- Batesville Primary School ($350) – to support a Chinese Classroom Library
- Batesville High School ($200) – to aid S.O.S. Bee Houses
- Batesville High School ($400) – to purchase Swim Team starting blocks
- Milan High School ($450) – to assist the program Milan C.A.R.E.S.
- Milan School Corporation ($500) – to offer a self-defense course
- South Ripley High School ($725) – to acquire a specimen freezer for Bio-Med
- South Ripley High School ($225) – to aid Computing and Society
- St. Louis School ($281) – to purchase a Math Stackers Kit
- St. Nicholas School ($520) – to support the program "You Can Use a Friend"

Fund Highlight

“The hopes and dreams that seem so unattainable by each of us alone can become a reality together.”
Frank Tarter Community Trust Fund

Established by Frank Tarter in his Last Will and Testament for the benefit of Osgood, Indiana and her surrounding communities.

Annual grants from the fund are guided by an Advisory Committee made up of members from Osgood Kiwanis, Osgood Lions Club, and Osgood Civic Club.

This Trust was turned over to RCCF in 1998 with the sum of $175,000.

As of 2019, this fund is worth $252,155.87 and the sum of $138,554.58 has been granted into the Osgood community.

Last Will and Testament

In his Last Will and Testament, Mr. Tarter stated, “It is my hope that this trust will provide a beginning and a means by which this town and community can be a better place in which to live and raise a family; and better able to provide enjoyment, comfort and security to its residents. …While I recognize that here have been many charitable gifts made by individuals and organizations over the years, and that it could be said that the small sum I have accumulated during my life does not compare in amount or benefit, my desire to help my community is not lessened. Perhaps by a different measurement I have not given less, as into this Trust, for the benefit of those I know and those I do not know, I have given all that I have.”

He further stated, “I realize that my bequest, by itself alone, can have only minimal affect, practically unnoticed by many. But perhaps it can be a beginning. It is hoped that the creation of this Trust might inspire and encourage others to give or leave something for this community…if (you) wish to give…to this community, …I make this invitation …to make a bequest into this Trust. The hopes and dreams that seem so unattainable by each of us alone can become a reality together.”
Mission Statement: To be a perpetual resource to support, expand, and enhance educational and economic opportunities for local communities.

January 26th: VEX Robotics

Students developed problem-solving, collaboration, and programming skills while building robots during a hands-on learning experience.

March 9th: Regional Rube Goldberg Machine Contest

144 students competed in the Regional Contest held at Jac-Cen-Del High School. 15 Division I and Division II teams were involved in the contest where machines were challenged to “Put Money in a Piggy Bank.”

June 19th / June 24th - 28th: Manufacturing Camp and Cyber Camp

Cyber Camp included a field trip to the Muscatatuck Urban Training Center’s Cyber Academy.
November 26th:
Education Workforce Innovation Network Grant

Awarded by the University of Indiana Center for Excellence in Leadership of Learning to develop pathways for future entrepreneurs and those interested in expanding existing businesses in Ripley County.

This grant is in collaboration with the Indiana Virtual Academy, and we are partnering with Oldenburg Academy, Southeastern Regional Planning, Ripley County Chamber of Commerce, Ripley County Economic Development, City of Batesville Economic Development, Indiana Small Business Development, Ivy Tech Community College, Vincennes University Early College, Southeastern Career Center, Indiana University Center for Rural Engagement, Chozen Designs, Tin Can Market, German American Bank, Friendship State Bank, Iron Timbers, Amack’s Well, Daniel Fayette LLC, and the schools of Ripley County.

Developed the initiative, Believing and Achieving Dreams: Entrepreneurs in Ripley County, Indiana; see our work in progress by visiting [www.genesisp2s.org](http://www.genesisp2s.org).

August 23rd:
IN-MaC Micro-Grant Summit

Designed to create and promote a strong, competitive manufacturing environment in Indiana.

Genesis moderated a panel discussion focused on programs and projects in Ripley County including VEX Robotics, 6th Grade Manufacturing Camp, Outreach to Students, and the Southeastern Career Center Fearless Females Event.
