

Ripley County Community Foundation

Connecting people who care with causes that matter

2022 | ANNUAL REPORT

Letter From the President

“If you’re going to live, leave a legacy. Make a mark on the world that can’t be erased.” Maya Angelou’s words accurately describe the activities of the Ripley County Community Foundation for the year 2022.

Twenty-five years ago a group of concerned and passionate people came together to form the Ripley County Community Foundation. Their vision all those years ago continues today in every corner of the county, in every one of our communities, and in so many hearts of our citizens.

Those founding members of the Board of Directors left a legacy to the Foundation staff, past and present, and to the current Board of Directors. That legacy challenges us to continue to connect people who care with causes that matter.

To celebrate the 25th anniversary of the Foundation, a special committee awarded \$100,000 to 12 nonprofit organizations. The grants ranged from \$2,500 to \$25,000 and implemented projects that will revitalize downtowns, offer educational training, improve services, provide greater handicap accessibility and expand existing opportunities. All four Foundation pillars (Arts and Culture; Environment and Natural Resources; Health, Education, and Well-Being; and Business and Entrepreneurship) were addressed in the grants, and collaboration was encouraged.

Youth continues to be a focus of the Foundation. The seven camps offered by Genesis: Pathways to Success in the Summer of STREAM brought over 400 participants and a number of volunteers together for a variety of experiences from building bikes to cooking camp to stargazing. High school students around the county form the Ripley Youth Outreach and sponsor successful projects such as the third annual Chalktoberfest. Thirteen young artists participated in this year’s event, creating murals of their favorite book covers. Another project driven by our youth is Turnover Hunger. The Batesville and Milan football teams raised over \$13,000 to support the Weekend Backsack Program. Another Lilly scholar was selected from our Ripley County schools, and over \$90,000 was awarded to local students through Foundation scholarships.

The Women’s Giving Circle continued its encouragement of programs and organizations that positively impact the lives of women and children by awarding five grants totaling \$7,000.

The Foundation launched a new initiative this year with the creation of a permanent fund to “Remember those U.S. veterans who have fallen, Honor those who serve, and Teach the value of freedom to our children.” On and around December 17, over 4,000 evergreen wreaths were laid on veterans’ graves across Ripley County, a part of the Wreaths Across America program. Owen Menchhofer and the Ripley County Historical Society were driving forces behind this initiative, which we hope to continue for years to come.

This year we were finally able to come together in June at the Sunman American Legion Post to celebrate our annual dinner, honoring grant and scholarship recipients and presenting awards. We’re so very grateful to the donors who joined us at that annual dinner and at the Day of Giving held in November.

Those generous donors allow us to exemplify the words of Pericles: “What you leave behind is not what is engraved in stone monuments, but what is woven into the lives of others.”

Sincerely,
Nancy Durham, President, Ripley County Community Foundation

25th Anniversary Grants

2022 marked the Ripley County Community Foundation's 25th anniversary. In honor of that milestone, the Board of Directors launched the 25th Anniversary Impact Grants. This opportunity made \$100,000 available to assist local organizations in implementing a project or program that will: 1) create a sustainable impact amongst one or more communities, 2) establish cross-community or cross-county partnerships, and 3) closely align with at least one the Community Foundation's four service areas; Arts & Culture, Business & Entrepreneurship, Environment & Natural Resources, and Health, Education & Well-Being.

Big Oaks Conservation Society

\$3,000 grant to build a kayak and paddle sports dock at Old Timbers Lake located in Big Oaks National Wildlife Refuge.

Ripley County Humane Society

\$5,000 grant for building repairs and upgrades.

Southeastern Indiana Mountain Bike Association

\$12,500 grant to finish the Next Level Trail project within the Versailles State Park. Once completed, this project will add 8 miles of additional mountain bike trails which will allow the park to be deemed a "destination hub."

Food and Growers Association, Inc.

\$2,500 grant to provide educational programming to teach families how to enhance their physical and mental well-being through gardening.

25th Anniversary Grants

Friends of the Gibson

\$10,000 grant to support a seat renovation project in the 100-year-old iconic Gibson Theatre. This renovation project will add handicap accessible seating and new theater-style seating for all to enjoy.

Kids Discovery Factory

\$10,000 grant to support the expansion of on-site play hours and program development.

Safe Passage

\$5,000 grant to provide critical updates and repairs to its shelter. Safe Passage provides shelter, emergency support, and counseling to individuals.

Shelby Christian Church

\$2,500 grant to make its facility accessible to individuals with physical disabilities and thereby more accessible to the public during non-denominational community events.

25th Anniversary Grants

American Legion and Veterans of Foreign Wars Posts

\$12,500 grant to outfit the “Color Guard” units from Batesville, Milan, Osgood, Sunman, and Versailles Posts that volunteer their time to provide graveside services at veteran’s funerals, or to present the flag at parades and special events.

Main Street Versailles

\$25,000 grant to support the development of a Pocket Park on the Courthouse Square.

Southeastern Indiana YMCA

\$5,000 grant to support the construction and installation of a Functional Art Wall in its outdoor complex.

Town of Milan

\$7,000 grant to assist with the downtown Milan Miracle Revitalization Project.

Lilly Endowment Community Scholarship Winner: Emily Meyer

1. Tell us a little bit about yourself.

I am currently enrolled at Purdue University studying Actuarial Science. My parents are Albert and Sandy Meyer, and I was born and raised in Batesville. I went to Batesville Community Schools my whole life, where I found my love for volunteering, art, and mathematics. I continue this love of volunteer work at Purdue as I have found some opportunities to give back, such as volunteering at a dog rescue shelter, campus events, and a local school. College has also given me the time to pick up some old hobbies, like crocheting, bingo, and painting. Now that I think about it, I'm turning more and more into my grandma every day... but I am definitely looking forward to where life takes me!

2. How did it feel to win the prestigious scholarship?

Winning the Lilly Scholarship was an indescribable feeling! Ever since I was little, I was looking forward to the day that I could compete for this scholarship, but actually receiving it felt too good to be true. I was, and still am, so proud of myself and thankful to those who have helped me turn my dreams into reality.

3. How has the Lilly Endowment Community Scholarship impacted you?

The Lilly Scholarship has made a world of difference for me and my future. Without such an amazing opportunity, I was looking at the real possibility of not even being able to afford college, let alone have other benefits that come along with it. Because of this scholarship, a huge financial burden has been lifted, and I've been given so many opportunities to connect with other Lilly Scholars through programs such as the Lilly Scholars Network. It really is amazing to know that I have such a strong and supportive network such as this!

4. What have you learned about yourself as a student at Purdue University?

I've learned so many things about myself at Purdue. Of course, I've learned that Purdue is better than IU (Go Boilermakers!!). On a more serious note, I've learned to take advantage of every opportunity, and to not let fear of failure hinder my success. College and life aren't a cakewalk; I need to step up and put myself out there in order to be the version of myself that I want to be. In order to do that, I need to be open to new ideas and use every experience as a learning opportunity.

Ripley Youth Outreach

Mission Statement

To create a powerful youth voice in our community in order to improve the lives of those in Ripley County through a philanthropic approach.

Vision Statement

Spread knowledge of philanthropy across Ripley County through service and education, to empower youth to become leaders of their generation.

Boxes of Christmas Cheer contained sugar cookie mix, sprinkles, icing, hot chocolate mix, and candy canes! This is one way Ripley Youth Outreach brightened the holiday season of those families served by Ripley County's eight food pantries.

Beautification of the Courthouse Square

Ripley Youth Outreach partnered with Main Street Versailles to beautify the Ripley County Courthouse Square with seasonal wooden cutouts! These festive decorations were designed by Ripley Youth Outreach, cut by Weberding's Carving Shop, and painted by the South Ripley High School Art Club.

Change Ripley County Grant

Dear Ripley County Community Foundation, It would be a good idea to improve St Paul Olean Church's playground. Personally, I love this playground but it could use some improvements. For example, I like to push my siblings on the merry-go-round, I also like to swing and jump on the swing. I like the slide and the monkey bars, but the slides wobble and the monkey bars are rusty plus they hurt my hands. Already several kids in the neighborhood play on the playground, but I think more kids would if the playground were better.

Please consider supporting our playground.

With care, Eva Lou Powaga
8 years

The Change Ripley County Grant gives youth a platform in which to be heard, the confidence to take action, and the resources to enact change.

Sparked by a letter from 8 year old Eva Lou Powaga, Ripley Youth Outreach granted **\$10,000** to renovate the only playground in Brown Township. A group of local volunteers, with the help of children, installed new equipment and hosted a ribbon cutting in September!

Chalktoberfest

Chalktoberfest is a competition of local junior and senior high school students who create chalk murals based on a provided theme each. This year, the theme was to draw their favorite book covers!

Wreaths Across Ripley County

This program is an extension of the Wreaths Across America initiative which has a mission to:

REMEMBER
our fallen U.S. veterans
HONOR
those who serve.
TEACH
your children the value of freedom.

On December 17, Ripley County Historical Society (RCHS) guided volunteers to recognize every veteran laid to rest in Ripley County by placing a wreath on over 4,000 graves across 56 cemeteries.

Through the generosity of our donors, the RCHS updated their records and an endowment fund has been established to perpetually support our veterans and to instill the importance of civics education in our schools.

Wreaths Across Ripley County

2023 Wreath Laying Day is December 16th and has a theme to “Serve and Succeed”.

Genesis
PATHWAYS TO SUCCESS

Mission Statement:

To be a perpetual resource to support, expand, and enhance educational and economic opportunities for local communities.

Genesis: Pathways to Success launched A Summer of STREAM in response to local educators' findings that students in middle school were at an increased risk to lose the prior year's learning concepts due to the lack of quality summer programming. This co-curricular initiative was designed to provide various fun-filled STREAM camps and activities through the summer months to 5th, 6th, 7th, & 8th-grade students across Ripley County.

A Summer of STREAM enhances the vibrant STREAM Ecosystem that flourishes in Southeastern Indiana by continuing to provide innovative, challenging, and fun opportunities for students. Not only are these STREAM camps positively increasing academic achievement among students, but it also presents the opportunity to meet new peers who share a common passion and promote lifelong friendships.

#KidsBuildingBikesCamp

Kids Building Bikes Camp provided an experiential learning environment where students were taught the history of bicycles, proper biking terminology, in-depth mechanics, repairs, and road safety in Nine13sports' mobile bike lab. By learning these various skills, students were able to construct their very own bicycles to keep.

* Please note: Some of the above are veterans who are laid to rest and were honored through the Wreaths Across Ripley County program.

Why Give?

A gift to the Community Foundation to support a favorite charity, community, or cause is a permanent gift that will GROW and produce income TODAY and FOREVER. The Community Foundation's staff or directors can discuss with you the most appropriate vehicle for your situation and interests. We welcome the opportunity to answer your specific questions at any time.

Why the Community Foundation?

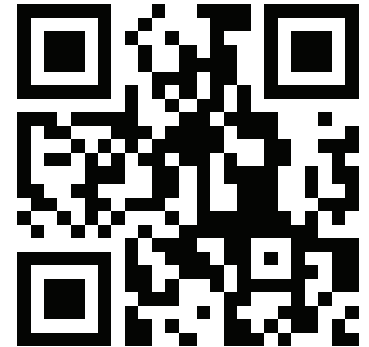

The Ripley County Community Foundation is a 501(c)3 tax-exempt organization designed for EVERYONE with a focus on making GRANTS that improve the quality of life in all four corners of Ripley County, Indiana.

What to Support?

You can donate to: an existing fund, visit www.rccfonline.org for a complete list of our funds; a special project; or a fund you establish.

How to Give?

To make an online donation to an established fund, visit <https://rccfonline.org/donate/>. You can maximize the benefit of your generosity by donating grain, stock, required minimum distributions from retirement funds, through Trusts, Life Insurance, or bequests.
